Presented as advances to suppliers/consultants under Short-term loans and advances (Note 2.7), not netted against payables. Confirm they are genuine advances and not unrecorded bills or payments posted to wrong ledgers.
7	Unsecured loans	Loans (Liability): Samartha Raghava Nagabhushanam Rs 24,80,680 (PY 7,80,680) and Manasa Rs 1,70,180 (PY Nil). No repayment terms, interest or tenure in the TB.	Classified as Long-term borrowings (Note 2.3), following the reference mapping of Directors Loan -> Long-term borrowings. Confirm tenure (if repayable within 12 months they belong under Short-term borrowings), interest (none charged in TB) and the relationship of Manasa (related party?).
8	Related parties	Partner Samartha Raghava Nagabhushanam: capital Rs 90,000; loan closing Rs 24,80,680; net loan received during FY 25-26 Rs 17,00,000 (closing less PY closing). Many creditors are individuals grouped as "Consultants".	Only the partner is disclosed as related party (Note 2.11). Gross loan receipts/repayments are not determinable from a TB (only net movement). Confirm whether any consultant/creditor (e.g. Madhavi K Rs 90,000, Sathyanarayana Bhat Rs 64,590) or lender Manasa is a relative of a partner.
9	Trade payables - MSME	Sundry Creditors (credit balances) Rs 5,48,320.48 (PY 2,28,000). MSME status of suppliers is not in the TB.	Entire amount shown under "other than micro and small enterprises" pending MSME confirmation (Note 2.4). Schedule III ageing schedule is not prepared: due-date information is not in a TB (and Schedule III does not apply to an LLP).
10	GST	GST Payable Rs 7,505.41 (credit) and Input CGST Rs 2,820.94 + Input SGST Rs 2,820.94 (debit) exist as separate ledgers.	Presented gross: GST payable under statutory dues (Note 2.5) and input credits under Other current assets (Note 2.8). Confirm with GSTR-3B / electronic credit ledger whether they should be set off and shown net.

11	Expense classification	All expenses are grouped by Tally under "Indirect Expenses". Pooja Expenses Rs 9,59,127.50 and Professional Charges Rs 10,08,252 together exceed revenue of Rs 10,59,363.54. Staff Welfare Rs 7,681 / Internship Charges Rs 12,000 are employee-related; Bank Charges Rs 880.63 could be finance cost.	All expenses are presented under a single "Other expenses" note (2.10) exactly as grouped in Tally, as in the reference. Confirm whether Pooja Expenses are direct cost of services and whether employee-benefit / finance-cost lines should be shown separately.
12	Pre-incorporation expenses	Pre-incorporation Expenses Rs 36,000 in FY 25-26 in addition to Rs 4,79,320 in FY 24-25.	Charged to P&L as per TB. Confirm the nature of the FY 25-26 amount (second year after incorporation) and whether any amount should be treated differently.
13	Statutory interest / fees	Interest on TDS Rs 2,164 (PY 780) and GST Late Filing Fees Rs 20 are charged to P&L.	Presented as expenses per TB. These are typically disallowed for income-tax; no tax computation has been prepared (the reference tax working sheets were hidden, company-specific and broken with reference errors).
14	Provisions not in TB	No audit fee provision, no depreciation/fixed assets, no income-tax provision, no interest on partner loan/capital, no partner remuneration appear in the TB.	Nothing has been added. Current tax is Nil (loss year). If an audit fee or any year-end provision is to be booked, it must first be passed in Tally and the TB re-exported.
15	Going concern / net worth	Partners' funds are negative: Rs (30,31,142.86) at 23-Mar-26 (PY Rs (10,30,911.52)). Loss for the year Rs 20,00,231.34 on revenue Rs 10,59,363.54.	Reported as per TB. Partners should confirm continued financial support (loans of Rs 26.5 lakh) for a going-concern statement in the accounting policies (Note 1), which is not part of the reference workbook and has not been prepared.
16	Rounding	Reference presents amounts in Rs '00 (Master!B31 = 100) with display rounding, without ROUND() in formulas (same as reference).	Because underlying values carry paise, in Rs '00 the displayed components of TOTAL LIABILITIES (-30,311 + 26,509 + 5,802 = 2,000) differ by 1 from the displayed total (1,999); the underlying figures balance exactly. Set Master!B31 to 1 to present in full rupees, which removes this display difference.
17	Cash	Cash in hand Rs 20,754.20 at 23-Mar-26 (PY Nil).	Reported as per TB. Confirm physical cash count / cash book at year end.
18	Ledger names	Several Tally ledger names contain spelling errors (e.g. "Telephone Exenses", "Campaining", "Subscrptions", "Accomodation", "Captial").	Exact Tally names are retained in the TB sheet (column A and grouping keys). Only the presentation captions in Note 2.10 have corrected spelling; no amounts are affected.
19	Previous year opening balances	The FY 24-25 TB has no brought-forward Profit & Loss balance and includes Pre-incorporation Expenses, indicating FY 24-25 was the first year.	PY opening capital (Note 2.1B) and PY opening reserves (Note 2.2) are therefore Nil and PY 'contributed / received during the year' equals the PY closing balance. Confirm the LLP's date of incorporation.
20	Reference sheets not carried	Reference workbook contains hidden company income-tax working sheets (IT Depn, IT Comp, DTA, MAT, ARI) and a hidden trade-payables ageing sheet, all with reference errors and specific to a company.	Not reproduced (MAT, EPS, Schedule III ratios and ageing do not apply to an LLP; deferred tax not computed). Master and TB sheets are kept visible here so the mapping can be reviewed; hide them for printing if desired.
